GENERAL QUESTIONS

Please answer the following questions on a separate page. Each answer should be at least a few sentences.

1. Please describe your understanding of the Youth Initiative in your own words. Why and how do you feel called to be a part of it as Summer Staff?
2. Reflect on your past experiences with mission immersion programs (mission trips, alternative breaks, service-learning trips, extended volunteerism, etc.). Feel free to share both positive and negative experiences and outcomes.
3. Tell us about any current involvement with a church or faith community. Please share at least a short paragraph on your current faith beliefs, where you are on your faith journey, and any hesitations you may have working in a church setting. Be sure to include how you connect faith to service and justice.
4. Please describe an area you'd like to grow in over the summer. How do you hope working for the Youth Initiative will enable or foster that growth?
5. Describe any special gifts, skills, talents, or areas of expertise you have that might be useful to the Youth Initiative. (music, language, writing, art, leadership, etc.)
6. Describe a time when you worked with a team towards a unified goal. What worked and what didn't work? What role do you play on a team or in a group setting? Who would be your perfect complement on a team, and why? Don't be humble when it comes to your strengths, and please be honest about areas of improvement.
7. What do you foresee yourself doing in the future, and how is working for the Youth Initiative a step in that direction?

REFERENCES

Please include the name, email address and phone number of at least three references we may contact. Please include at least one reference that knows you from a church environment, such as a pastor, and at least one reference that is a former or current employer. One of your references should also be able to speak to how you relate to teenagers.
