

## Social Engagement Initiative

### Day Immersion Information Packet

The Social Engagement Initiative believes that by engaging our neighbors socially, academically, and faithfully, we can spread the practice of radical hospitality beyond our doors. Join us, and together we can creatively and intentionally challenge systems of injustice and oppression facing our most vulnerable neighbors.

Day Immersions at Broad Street Ministry welcome groups of all ages and types to engage in relational service with BSM's Hospitality Collaborative surrounded by informative and provocative discussions and activities. You will be involved in a community that fosters creativity and lifelong learning with the flexibility to pursue the intersectionality of justice issues through a lens of faith.

# Imagine What We Can Learn & Do in a Day

## Service Experience: Serve or Be Served

---

### **Serve with the Hospitality Collaborative**

BSM's Hospitality Collaborative provides a myriad of social services while cultivating a sense of safe and inclusive community among guests, volunteers, and staff. Our services include the Breaking Bread meal, 315 Threadz (clothing), Personal Care, mail service, and therapeutic arts. **You will be serving our guests** in a dignified manner and helping to ensure that there is always a place at the table for each of our guests. In order to ensure volunteer registration, you must register for your Day Immersion at least **4 months in advance**.

### **Be Served a Breaking Bread Meal alongside Guests**

Instead of volunteering, you're invited to **sit down at the table and have a meal with our guests**. By taking your seat at the table, you'll listen to stories, engage in conversations, chip away at the social stigmas of deep poverty and mental illness, and develop a person motivation to continue to work for justice.

## Learning Experiences: Dig Deeper

---

### **Theological Reflection**

A theological reflection will frame a discussion and activity around scripture, seeking to **identify specific ways in which Christians are called to be active disciples in the world**, to extend radical hospitality, and to work towards justice in the world.

### **Mural Tour of Center City Philadelphia**

A walking tour of Center City intentionally calls groups **to truly be in the city by using our senses and observation skills**. On our walk, we'll notice our neighbors who seek shelter in the underground SEPTA concourse; we'll observe how the wage gap in Center City presents itself through resources, storefronts, and food access; we'll meet our neighbors who often go unnoticed as we pass by them on the street. The conversation on the walk will include causes and the traumatizing effects of homelessness and poverty.

### **Worship Service**

We'll give your group time to **spiritually reflect and process experiences at BSM**. The service includes music, scripture, and a time to move through creative, interactive prayer stations. It is a time to listen for God's call in our lives, to be comforted and challenged by prayer, and to be emboldened to keep working for justice upon return home.

### **Envisioning Next Steps in Contextual Ministry with Beacon Church**

Journey with us to northeast Philadelphia to Beacon Church, a new church development exploring what it means **to be Church and community in a diverse and evolving neighborhood**. With Beacon, you'll explore the surrounding neighborhood and creatively envision new ways of doing ministry. You can learn more about Beacon by visiting [www.thewordatbeacon.org](http://www.thewordatbeacon.org).

# Frequently Asked Questions

## **Where can we park?**

BSM does not have its own parking, but within just a few blocks, we do have metered street parking and multiple parking garages. Your total cost does not include parking fees. Note: many garages will not accept oversized SUVs or passenger vans. If you'd like us to give you addresses of garages or parking lots, we can certainly do that!

## **What should we do about meals?**

We can schedule a time during your Day Immersion for your group to eat together, regardless of which base option you choose.

The only food that BSM can provide is that which is being served for the Breaking Bread meal. We cannot tell you in advance what the meal will be. If you have members of your group with dietary restrictions, please have them bring pre-packed meals to eat following the Breaking Bread meal.

If you choose to serve a Breaking Bread meal, please plan to pre-pack and bring your meal or plan to visit a nearby restaurant (we can suggest something!) during the time we schedule for you to eat.

## **Who can attend, and how many people can we bring?**

Anyone can attend! Day Immersions present an exciting opportunity in that anyone at all can come and find meaning. You can bring your Christian youth group, your adult coworkers or employees, your church mission committee, just a group of your friends, or an intergenerational group! Anyone over the age of 11 is welcome, and groups can be either secular or faith-based.

Our minimum group size is 10 people total. If a group is larger than 20 people, there will be an added fee of \$5 per person. We cannot accept groups larger than 40.

## **What should we bring and what should we leave at home?**

Please bring an open mind and a spirit of hospitality. BSM takes great care to ensure that all are graciously welcomed into our space regardless of gender identity, sexual orientation, mental health issues, socioeconomic status, race, and criminal history. Feel free to leave at home any stigmas against individuals experiencing scarcity and poverty.

You are welcome to bring your phones and cameras, but we ask that you put them away during your time engaging with BSM's guests. The goal is to be present and in solidarity with our community, and we find that phones and cameras actually create physical barriers between ourselves and another person. In addition, please do not plan on taking any photos of BSM's guests.

If you plan on eating a meal apart from what is provided with the Breaking Bread meal, please pre-pack and bring your food or bring money to dine at a nearby restaurant. BSM can provide you with refrigerator space, but we cannot reheat any food.

Bring a water bottle! We have water readily available, and we'd love to not have to use paper cups.

Appropriate attire and footwear for walking, especially if you choose to serve a Breaking Bread meal and/or go on the Mural Tour of Center City.
