

Meet Broad Street Ministry's 2015-2016 Pastoral Associates!

Sammie Evans, Pastoral Associate for Implementation

Princeton Theological Seminary Class of 2014
Titusville, Pennsylvania

Sammie is well known to you all because she's been serving here as a Pastoral Associate, doing volunteer coordinating, delivering social services and providing pastoral care and worship leadership. She writes, "I'm really excited to do a second year because I will get to stay at a place that I love and feel called to be, and I will be able to focus more on the worshipping community and grow in my identity as a pastoral leader in a church setting that is innovative." In her second year, Sammie will spend most of her time with our Convening Minister, Rev. Bill Golderer, learning first hand from him at BSM and our sister church, Arch Street Presbyterian Church.

Catherine Tobey, Pastoral Associate for Education

Princeton Theological Seminary Class of 2015
Ogden, Utah

Cat comes to BSM by way of Princeton Seminary and her field education work at our sister church, Beacon. She writes, "I chose to serve at BSM after seminary because I'm excited to keep learning about the church, gain skills that will be beneficial for church planting, and grow through being a part of a cohort."

Cat is a serious theology nerd and will spend most of her time working on BSM's Christian education offerings.

Julia Watkins – Pastoral Associate for Enfolding

Columbia Theological Seminary Class of 2018
Atlanta, Georgia

Following graduation from Davidson College, Julia enrolled in seminary but is taking a year away to do supervised ministry. She spent the summer in Charlotte and we get her all this coming year. She writes, "I'm coming to BSM because I'm passionate about affecting change one relationship at a time, and I'm seeking innovative models for community that points people towards the Good News in a rapidly changing world." Julia's a natural relationship-builder and will be spending most of her time working on BSM's welcoming and fellowship ministries.
