COMMUNITY ENGAGEMENT Immersion Day

Information Packet | Secular Programming

The Community Engagement Initiative believes that by engaging our neighbors socially, academically, and faithfully, we can spread the practice of radical hospitality beyond our doors. Join us, and together we can creatively and intentionally challenge systems of injustice and oppression facing our most vulnerable neighbors.

Immersion Days at Broad Street Ministry (BSM) welcome groups of all ages and types to engage in relational service with BSM's Hospitality Collaborative, surrounded by informative and provocative discussions and activities. You will be involved in a community that fosters creativity and lifelong learning with the flexibility to pursue the intersectionality of justice issues through a lens of faith.

Scheduling an Immersion Day

Schedule your Immersion Day for any available weekday, September through April. Prior to registering, contact the Community Engagement team to discuss potential dates at

communityengagement@broadstreetministry.org

If you are interested in serving a Breaking Bread meal, you will need to schedule your Immersion Day at least four months in advance.

**Note: if you are interested in an Immersion Day on a Saturday – let us know! While we are not always able to do so, we may be able to accommodate these special requests.*

Imagine What You Can Learn & Do in a Day

Service Experience:

BSM's Hospitality Collaborative provides a myriad of social services while cultivating a sense of safe and inclusive community among guests, volunteers, and staff. Our services include the Breaking Bread meal, 315 Threadz (clothing), Personal Care, mail service, and therapeutic arts. You will be serving our guests in a dignified manner and helping to ensure that there is always a place at the table for each of our guests. In order to ensure volunteer registration, you must register for your Immersion Day at least four months in advance.

Learning Experiences:

Mural Tour of Center City Philadelphia A walking tour of Center City intentionally calls groups to truly be in the city by using our senses and observation skills. On our walk, we'll notice our neighbors who seek shelter in the underground SEPTA concourse; we'll observe how the wage gap in Center City presents itself through resources, storefronts, and food access; we'll meet our neighbors who often go unnoticed as we pass by them on the street. The conversation on the walk will include causes and the traumatizing effects of homelessness and poverty.

Workshop or Interactive Experience Let us know which focus area you prefer (poverty, racism, mass incarceration) and we will offer an hour's workshop that includes both content and information, and interactive experiences to help your group better understand these issues.

Frequently Asked Questions

Where can we park? BSM does not have its own parking, but within just a few blocks, we do have metered street parking and multiple parking garages. Your total cost does not include parking fees. Note: many garages will not accept oversized SUVs or passenger vans. If you'd like us to give you addresses of garages or parking lots, we can certainly do that!

What should we do about meals? We can schedule a time during your Day Immersion for your group to eat together, regardless of which base option you choose. Meals will be available at an additional charge.

The only food that BSM can provide is that which is being served for the Breaking Bread meal. We cannot tell you in advance what the meal will be. If you have members of your group with dietary restrictions, please have them bring pre-packed meals to eat following the Breaking Bread meal.

If you choose to serve a Breaking Bread meal, please plan to pre-pack and bring your meal or plan to visit a nearby restaurant (we can suggest something!) during the time we schedule for you to eat.

Who can attend, and how many people can we bring? Anyone can attend! Immersion Days present an exciting opportunity in that anyone at all can come and find meaning. You can bring your Christian youth group, your adult coworkers or employees, your church mission

committee, just a group of your friends, or an intergenerational group! Anyone over the age of 11 is welcome, and groups can be either secular or faith-based.

Our minimum group size is 10 people total. If a group is larger than 20 people, there will be an added fee of \$5 per person. We cannot accept groups larger than 40.

What should we bring and what should we leave at home? Please bring an open mind and a spirit of hospitality. BSM takes great care to ensure that all are graciously welcomed into our space regardless of gender identity, sexual orientation, mental health issues, socioeconomic status, race, and criminal history. Feel free to leave at home any stigmas against individuals experiencing scarcity and poverty.

You are welcome to bring your phones and cameras, but we ask that you put them away during your time engaging with BSM's guests. The goal is to be present and in solidarity with our community, and we find that phones and cameras actually create physical barriers between ourselves and another person. In addition, please do not plan on taking any photos of BSM's guests.

If you plan on eating a meal apart from what is provided with the Breaking Bread meal, please prepack and bring your food or bring money to dine at a nearby restaurant. BSM can provide you with refrigerator space, but we cannot reheat any food.

Bring a water bottle! We have water readily available, and we'd love to not have to use paper cups.

Appropriate attire and footwear for walking, especially if you choose to serve a Breaking Bread meal and/or go on the Mural Tour of Center City.
