WHAT WE DO

Our lunch service is the foundation of Broad Street Ministry. This service is available to anyone that steps through our doors and usually sees individuals with a wide range of levels of stability; from those experiencing chronic homelessness to individuals with stable housing and employment that still need the extra support a free meal can provide. Aside from ensuring our guests have at least one nutritious meal, we also recognize how essential our meal is to gaining new guests' trust and fostering a sense of community.

WHAT YOU RECEIVE

- Three-month* spotlight as BSM Kitchen Takeover Title Partner
- Collaborative PR and social media with BSM and participating guest Chefs
- Three group opportunities to serve BSM guest during open hours to include:
 - De-escalation training pre-service
 - Team-building debrief exercise post service

WITH YOUR SUPPORT

Your support helps keep our meal costs low without sacrificing quality. It also ensures that our doors remain open and services accessible to our guests. Your partnership will provide meals that include beautiful fruits, vegetables, and organic meats to our guests. Our model of radical hospitality attracts a number of restaurant partners and we have been thrilled to have them serve our guests during Kitchen Takeovers. Kitchen Takeovers embrace our model of quality meals served with dignity. Partnerships are an essential piece of our kitchen program. It is because of valuable partnerships with the business community that we are able to offset the cost of our daily meal program; including but not limited to staff, plates, linens, kitchen services, equipment, utilities, in addition to supplementary food needed to complete the 350+ meals cooked daily.

*Due to increased media coverage of holiday season, November and December are stand-alone partnership months.
